Happy Anniversary To Independence Medical Group!!!

October 2008 marks Independence Medical Group's 8th Year Anniversary of providing medical services in Kern County. In recognition of those who support and participate with IMG, our annual Provider Appreciation Dinner was held on September 10th at Seven Oaks County Club. 250 guests joined IMG in taking a trip back in time, remembering what it was like to be 8 years old. The evening was transformed into an old fashioned carnival. Games, food, caricatures, prizes and so much more were enjoyed by all who attended. We would like to dedicate this newsletter as a remembrance of the evening's special events.

As always, we thank you for your continued support and participation of IMG. We look forward to seeing you again next year.

OH TO BE 8!!!

The ring leader of the carnival, Gary Bohamed, found himself in front of a crowd of “grown-up” 8 year olds. All of them were holding what they hoped to be the winning ticket of the night’s grand prize. As Gary read the numbers slowly, you could hear many sighs of despair, while others shrieked with excitement that they were still in the game. And then came the final digit.....and the winner was.....Dr. Anthony Horan of Alpine Urology!!!

Dr. Horan — all of us at IMG wish you a wonderful time in Rio de Janeiro!!! Congratulations!!!

A big thank you goes out to all of our sponsors for helping to make this wonderful trip possible.
